## UI DESIGNER & PHOTOGRAPHER

📍 Sydney, Australia

📁 <https://giacomo-bozzato.github.io>

## PROFILE

---

Multimedia designer with 5+ years of experience across UI/UX and photography. Trained in Italy, based in Sydney, I blend analytical precision with creativity. I've worked as a freelancer in small and large teams with startups and fintechs across Europe and Australia, delivering digital-first design systems and compelling visual content. I'm seeking a part-time opportunity in a creative team.

## WORK EXPERIENCE

---

### UI & Graphic Designer

#### Freelancer

##### Unity

*Jun 2025 - Now*

*Sydney, remote*

- Designed 30+ website pages, wireframes, and interactive Figma prototypes
